One of the best college in the country with all standard facilities and teaching faculty. And good infrastructure facilities.. proud to be in ths college

Required more practicals

If possible organise internship for final years student in advertisement.

Withchangeintechnologyinmoderntimesandallwestillfollowingtheoldsyllabusandmethods

More practical subjects than theory subjects More

of practical classes

To introduce new professional industry standard subjects in production and post production for film making and provide adequate infrastructure for students to have a foresight.

To get guest lecturers from industry for providing minimal technical support in pragmatically subjects such as teaching cinematography, editing, sound design etc.

Industrial visits and more exposure to the main media industry will be extremely helpful for students.

Please see that syllabus being followed shall have sufficient copies of books in the library without which the syllabus would not fetch us sufficient information

Victorian Age, Indian writings in English have to be condensed in the first unit. News mens English must have a better syllabus approach

Reduce the content of the syllabus by taking into note the duration of the semester

Include of Internships, to the curriculum as one of Practical, would enrich the knowledge of Real-world applications. Implement co curricular activities

need more practical knowledge

No suggestions

No sufficient library books and there's no fest for our department.

Should improve sports

Encourage more innovative ideas... Try to do many events, fests and please try to give students the practical knowledge more than theory..

Please try to update the syllabus regularly

everything is perfect

Practical skills should be focused more

The Studentsshouldbetaughtlessonspracticallysothattheycanimplementtheminthecareers.Bookishknowledge is held by everyone, thus practical knowledge is a must.

Increase the quantity of books in library

More educational trips and outings would be beneficial. More
