PRAYER TO GOD THE FATHER

Our Father in heaven
Holy be your name
Your kingdom come
Your will be done on earth
As it is in heaven.
Give us today our daily bread.
Forgive us our sins
As we forgive those who sin against us.
Do not bring us to the test
But deliver us from evil. Amen.

PRAYER TO LOVE & SERVE GOD

Loving God! Teach me to be generous
Teach me to love you and serve you as you deserve
To give and not to count the cost
To fight and not to heed the wounds
To toil and not to seek for rest
To work and not to look for reward.
All I want to know
Is that I do your most holy will.
(Prayer of St. Ignatius of Loyola)

PLEDGE TO THE NATION

India is my country
All Indians are my brothers and sisters.
I love my country
And I am proud of its rich and varied heritage.
I shall always strive to be worthy of it.
I shall give my parents, teachers and all elders respect
And treat everyone with courtesy.
To my country and my people
I pledge my devotion;
In their well-being and prosperity alone
Lies my happiness.

ORIGIN AND GROWTH OF LOYOLA ACADEMY

Loyola Academy (LA) is managed and administered by the members of the Society of Jesus belonging to the “Jesuit Province Society- Hyderabad”, covering both the states of Telangana and Andhra Pradesh.

The Society of Jesus is an International Catholic Religious organization of men founded in 1540 by St. Ignatius of Loyola. These religious men, popularly known as “**Jesuits**”, are about 17,000, spread all over the world, of whom over 4000 are working in 20 provinces of India. In Telangana and Andhra Pradesh states alone, about 220 Jesuits are working in Schools and Colleges, Youth and Social Service centres, Spirituality and Counselling centres and in Parishes and Missions of the Catholic Church.

LA was founded by **Rev Fr TJ Baliah SJ** in 1976 with Intermediate Courses, also offering an Associate Degree in Chemical Technology. It then developed into a Degree (1978) and PG (1993) College. LA is situated in Old Alwal, Secunderabad, Telangana, India.

LA is blessed with a fairly spacious campus of about 135 acres of land, with playfields and farm. It is affiliated to the prestigious Osmania University. LA Degree College was granted autonomous status in 1992 by the University Grants Commission. The same autonomy was granted to the PG College in 2010 by Osmania University. Appreciating the achievements and qualitative pursuit of higher educational needs, UGC has awarded LA a rare status known as a “**College with Potential for Excellence**” (CPE) in the year 2008 and has also extended CPE phase II projects in the year 2015.

In addition to this, National Assessment and Accreditation Council accredited this college in the year 2005 and reaccruited in 2011 and, for the second time, awarded ‘A’ grade (3.50 out of 4.00 CGPA), in recognition of its excellent contribution to the cause of higher education.

JESUIT EDUCATION
FOR TRANSFORMATION OF PERSONS & SOCIETY

1. Dedication to Human Dignity from a Jesuit Faith Perspective

- Men and women are created in love to reflect the wisdom and goodness of God.
- The continued presence of Jesus Christ's Spirit enhances human dignity.
- Men and women are
 - o enfolded in God's care and compassion
 - o offered companionship as brothers and sisters and
 - o empowered to complete the compassionate mission of Jesus Christ on earth
- Jesuits believe that their colleagues from other religious and ethical traditions share this dedication to human dignity and work for its implementation.

2. Reverence for and an Ongoing Reflection on Human Experience

- A Jesuit College must be a place of intellectual honesty, pluralism and mutual respect/reverence
- Reverence was pivotal for St. Ignatius of Loyola, reverence for him was an attitude of regard
 - before the majesty of God and
 - for all that God has created both as a gift from God and as a way to God's presence
- The Jesuit ideal of seeking and finding God in all things is inspired by this sense of reverence
- This ideal
 - promotes a rigorous yet sensitive attention to the demands of the professions and of technology
 - exults in the world of creative energy in literature and music, in art and theatre, in business and in the sciences
 - engages the world both locally and globally

3. Creative Companionship with Colleagues

- The contemporary Jesuit College is committed to creating a community of dialogue and service
- Service signifies a mutual willingness among faculty, staff and administration to enhance the entire

environment of learning and service within the college community and between it and the world outside

4. Focused Care for Students

- At the heart of the Jesuit educational ideal is community care for the integral development of the students
- Everyone – faculty, staff, administration and board members—play a role in student development
- In their relationship with students, faculty and staff inevitably model what they value
- In communicating those values, they act as mentors to their students
- The following student-concerns demand our attention and response:
 - the pursuit of wisdom and competence
 - the quest for psychological maturity and spiritual depth
 - the desire for ethical grounding and
 - the challenge of social solidarity and global awareness

5. Well-Educated Justice and Solidarity

- Justice, primarily, is God's saving action for men and women
- Each Jesuit College must examine its own social environment, including its own commitment to justice and solidarity
- Solidarity with the rest of the human race means
 - working together as human family to meet effectively the challenges of worldwide hunger, ignorance, disease and violence;
 - extending of care to those close at hand who have been ignored or abandoned within our society; and
 - a commitment to change the economic, political and social structures that enslave, dehumanize and destroy human life and dignity.
- More and more Jesuit institutions provide supervised opportunities for their students to meet and to learn from people from other economic and social groups through
 - community service,
 - service-learning projects,
 - immersion experiences and
 - faculty-student research projects.

ST. IGNATIUS OF LOYOLA

(1491-1556)

Founder of the Society of Jesus
Student & Teacher - Soldier & Saint

Passion for Life

Íñigo López de Loyola was born in the Basque Country, Spain, in 1491. The youngest of 13 children, Íñigo López was brought up by María de Garín, the local blacksmith's wife, after his own mother died soon after his birth. He later became a page in the service of a relative, Juan Velázquez de Cuéllar, treasurer of the kingdom of Castile. As a young aristocrat Ignatius had a "love of martial exercises and a vainglorious desire for fame." At this period he framed his life around the stories of adventures. Joining the army at seventeen he strutted about "with his cape slinging open to reveal his tight-fitting hose and boots, a sword and dagger at his waist."

Grit and determination in times of adversity

His diplomacy and leadership qualities made him very useful to Duke Antonio Manrique de Lara. Under the Duke's leadership, he participated in many battles without injury. But when a French-Navarrese army stormed Pamplona's fortress on May 20, 1521, a cannonball wounded one of his legs and broke the other. He was thirty, then. Soldiers carried the wounded Íñigo to his ancestral home to recuperate from wounds received in battle. He was very concerned about the injuries and had several surgical operations, which were very painful in the days before anesthetics.

Passion for reading leads to a desire to change

During his days of recovery he asked for books on chivalry, his favorite reading, but there were no such romances in the Loyola castle in Spain. Instead he was given the only books in the house: the "Life of Christ" and a collection of the "Lives of the Saints". Íñigo set about reading them: as he continued to read these books, he continued to reflect. He asked himself "If St. Francis could do this, why not I? If St. Dominic could do this, why not I?" The more he reflected, the more did God become the centre of his life. His injury at Pamplona was God's way of telling him that He wanted him in the service of Jesus Christ, the eternal King.

A romantic knight, now a passionate Pilgrim of God

By March 1522, Iñigo's right leg was sufficiently healed for him to put his plan into action. Every knight in his time would stand guard at the door of his lady-love. For Inigo it would no longer be the earthly ladies. On 24 March he went to Mother Mary's altar at Montserrat, and spent the whole night in a vigil of arms, kneeling or standing before her. At dawn he offered his sword and dagger to Our Lady, hanging them on the chapel wall. He gave the fine clothes he was wearing to a beggar and clothed himself in his sackcloth-tunic. A romantic knight now became a passionate Pilgrim of God.

A docile Student of the 'school-master' God

Iñigo became God's student. On his way to Barcelona he stopped at Manresa, a town on the banks of the river Cardener. There he spent ten months in total communion with God. He spent seven hours a day in prayer in a cave he had discovered. For several hours a day he helped the sick in the hospital of St. Lucy. God - he says - was like a school master teaching him step by step. He read other spiritual books, among them the "Imitation of Christ", a book which he always esteemed. Whenever a passage from his reading particularly struck him, he jotted it down in the notebook he carried. In the same note book he recorded his meditations and the illuminations he received in prayer. It was from this little book that his famous Book of Meditations, called the "Spiritual Exercises", would later emerge.

Passion to live and work in his Master's Holy Land

Iñigo visited the Holy Places in the ancient city of Jerusalem. He prayed and walked on the streets where Jesus his Master had walked. Since he was unable to remain in the Holy Land, Iñigo, now thirty-three years old, had to chart his future anew. His only desire was to help people to come closer to God; so he decided to study for the priesthood. At the age of 34 he began to study Latin grammar, sitting in class with young boys.

Passion to lead people to God makes him a dedicated Student

When he had finally mastered the elements of Latin, he moved to the renowned University at Alcalá. In that great University City Iñigo gathered students and grownups about him, speaking about prayer and explaining to them the

meaning of the Gospels, St. Paul, the Ten Commandments, and so forth. As some complained that he was not qualified enough to teach others about God, Iñigo went to Salamanca to continue his studies at its famous university. From there, at the age of 38, he went to Paris and for seven years studied there: Latin grammar, philosophy and theology. To support himself during these years he spent two months each summer begging for money from the rich Spanish merchants and saving it for the rest of the year.

A Magnetic Personality attracts many good Student-Friends

In Paris he shared a room with Peter Faber and Francis Xavier. His magnetic personality attracted many young students to him. James Laynez, Alphonsus Salmeron, Nicholas Bobadilla and Simon Rodrigues joined him soon. He was for them a friend, philosopher and spiritual guide. With three more (Claude LeJay, Paschase Broët, and John Codure who came later), Ignatius would start the 'Company of Jesus' in 1540 to love God and serve humanity.

A Teacher and Educationist with a heart for the downtrodden

When Iñigo received his Master's degree at Eastertide in 1534, the university Latinized his name, and thenceforth he used the name Ignatius. He continued to teach the lettered and the unlettered, the rich and the poor, elders and children. He taught them about God, religion and prayer and cared for the sick in hospitals.

Iñigo was also attuned to the needs of the people around. He established the House of St. Martha for women unfortunately pushed into prostitution. He built a home for young girls who were especially in danger of being exploited. He founded an orphanage for those who lost their parents. He built a house for those who came in search of Christ.

He started the Roman College in 1551 as a model for all Jesuit colleges throughout the world. In 1552 he opened a college in Rome for seminarians to prepare themselves better to preach Christ.

Inigo, Ignatius, becomes St. Ignatius of Loyola

Ignatius died on 31 July, 1556. When the body was made ready for visitors, there was a long line of cardinals, bishops and priests, of Rome's nobility and Rome's poor, all coming to kiss the holy venerable hands of the Founder of the Society of Jesus. He was declared a Saint by the Church in 1622. The day he died and went home to Jesus whom he loved dearly is celebrated as his Feast Day: 31 July.

ACADEMIC INFORMATION

The academic year consists of two semesters. At the undergraduate level, the curriculum is spread over three years, except B.Sc. (Hons.) Agricultural Science and Rural Development, which lasts for four years. The duration of a semester is approximately 16-18 weeks, each consisting of six working days.

In the academic year 2016-17, the college introduced the Choice-Based Credit System (CBCS). All degree students are expected to earn a minimum of 135 Credits for the completion of the Undergraduate Degree Course. Besides these credits, they should also put in 50 hours of social service under PLANET Programme. Students are also encouraged to get certificates by involving themselves in NSS/NGC/SPORTS & GAMES/AICUF/Women's Cell/NCC etc.

The second year students, besides undergoing the regular curriculum, also choose one General Elective from across the streams. These courses are add-on and career-oriented which will make them more employable after completing their respective Degree Course.

In order to make the students research-oriented, all the final year students are to undertake a Project Work and submit their Dissertation as well as take a Viva Voce. All these components of the Degree Curriculum under the CBCS have to be completed before one gets one's Undergraduate Degree.

CHOICE-BASED CREDIT SYSTEM

CHOICE-BASED CREDIT SYSTEM CHART

Part I: Languages & Foundation Courses	Part II: Major Subjects
1. English 2. Indian Heritage and Culture 3. Value Education	1. Core Subjects 2. Environmental Studies 3. General Elective 4. Fundamentals of Information Technology 5. Project Work
Part III : PLANET (Social Service)	

The College has adopted the system of valuation based both on Continuous Internal Assessment (C.I.A.) and Semester-End Examination (S.E.E). The C.I.A and S.E.E. will have the weighting of 40% and 60% respectively. C.I.A. consists of Weekly Tests, Assignments, Seminar/Viva Voce, Mid-Semester and Pre-Final Exams as part of Theory. C.I.A. consists of Practicals (laboratory work etc.) too. The student's regularity, as indicated by attendance, will also be taken into account for C.I.A. The S.E.E. will be in the form of a comprehensive written examination for each course at the end of the semester and most of the subjects have Practical Exam too. The question papers for these examinations will be set by experts chosen from outside the College and answer scripts will be valued by external examiners.

Continuous Internal Assessment (CIA) :

1) A student becomes eligible to appear for the Semester-End Examinations only if he/she has secured the MINIMUM ATTENDANCE OF 75%. If he/she fails to get the minimum attendance, he/she has to repeat that Semester in the following academic year. His/her name will be off the rolls for the following semester.

In case a student is absent from classes due to grave illness/accident, he/she should have a minimum of 65% of attendance and should have already obtained permission prior to their absence due to grave illness/accident. However, medical certificate for minor ailments like cold, cough and fever will not be accepted. They should submit a Medical Certificate issued by a registered medical practitioner along with the medical prescription on the first day that he/she returns to regular classes. Medical certificates that are submitted later or just before the Semester End Exams will NOT be accepted.

Under the CIA system in the college, there are Weekly tests, Mid-Semester Exam, Pre-final Exam, Assignment, Viva/Seminar and Attendance. 3) In principle, there is no re-examination.

However, under extraordinary circumstances and for genuine reasons on a case to case basis, it is the Principal's discretion to call all the officials concerned to decide whether or not to give permission for a re-examination. In case of accident, grave illness or death (in the family), the Principal/Vice-Principal should be informed immediately and a written permission to be absent from the exams should be obtained by the parent / guardian. The decision to conduct or not to conduct the re-examination rests with the Principal/Vice-Principal and will be examined case by case, purely on the merit of the case. The decision of Principal/Vice-principal is final and binding.

For applying for re-examination, the students along with their parents should approach the Vice-Principal with all the necessary documents, who, in consultation with the Block In-charge and the Head of the Department concerned, would analyze the case and forward it to the Principal. The Principal would finally decide whether or not to permit the student to take a re-exam and the same would be communicated to the COE on a case-to-case basis. If permitted, the Examination Coordinating Cell headed by the Chief Superintendent of Exams, coordinates the conduct of the re-exams.

GUIDELINES FOR ASSIGNMENTS / SEMINARS / VIVA VOCE

Assignments

Assignments should be given a month after the commencement of the semester, on a topic related to the syllabus. The students should submit a paper of not more than 5 pages on the topic, which could be their original work / perspective / understanding or the latest information on the same.

Seminar / Viva Voce

It would be the lecturer's prerogative to decide whether to conduct a seminar or Viva Voce. The same should be conducted after consultation between the HOD and the lecturer who fix the dates for it after the mid-semester and before the Pre-final examination. However, it should be evenly spaced out so that they are not held in the last week before the Pre-final exams, and also that the entire burden does not fall on the students towards the end.

In the case of a seminar, the student explains his understanding or original idea of a concept that he deals with in the assignment, to the entire class. The duration of seminar does not exceed 5 minutes.

Viva Voce

It is a one-on-one oral exam on the assignment submitted by the students, lasting around 5 minutes.
