Solid Waste Management

Triple case dustbins

Solid Waste Storage & Segregation House

Support Staff using wheel barrow

Wet waste from hostel

Transported to farm as cattle feed

Leftover food carried from hostels to farm as cattle feed.

## Solid waste management initiative :

Date: July 21, 2017

To  
The Principal  
Loyola Academy Degree & PG College  
Alwal  
Secunderabad -500 010

**Subject : Requesting permission for environmental activity**

Respected Father,

We the students of M.Sc. Biotechnology 2<sup>nd</sup> year (NMBT), are planning for an outreach program as a part of our environmental activity in which we will be collecting old newspapers and used books from the students of our college. Those books will then be sent to a recycling plant who will provide us the recycled books in return which we will distribute in an orphanage or a government school.

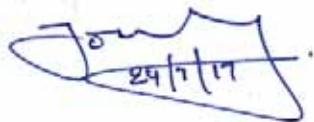

We kindly request you to grant us the permission for the collection of the material from the UG and PG students of our college.

Thanking you

Sincerely,  
NMBT students

(M.Sc. Biotechnology)

P.T.O.

The first step towards this program was to introduce the campaign to the students of the college and motivate them to be a part of it. For this, various announcements were made in the classes requesting the students to contribute as many books as possible and posters were put up in the campus.

Later, cartons were put up in the campus where the students were asked to drop in their used books and newspapers. Everyday the collected books were gathered and stored. The first cycle of collection was continued for a period of 2 months (July and August).

Further, **ITC- Waste Management & Recycling Unit** was contacted who helped us in the recycling process. A total quantity of 648 kg of papers and books were collected in the first cycle. The coordinators from **ITC Limited** collected the papers from us and provided 173 new books in return.

The program was continued for the second time in the months of September and October where in a better and huge response was shown by the students as well as the staff of the college and more amount of books were collected then compared to the first cycle.

The total quantity of books and papers collected in the second cycle all together accounted for a weight of 1 ton and 105 kg. These books were again sent to the recycling plant and we received 250 new books in return.

The program was further taken forward for the third cycle for a period of 5 months (November to march) and a total of 180 kg were collected and 36 new books were received in return.

Thus, throughout the whole program a total quantity of 1933 kg of used books and newspapers were collected and received a total amount of 459 new books in a period of 8 and a half months.

Finally, we contributed all the new books to an orphanage named "Aashritha" located in secunderabad. Aashritha is a boys orphanage that shelters 52 abandoned, street children who belong to different family backgrounds like both parents died, mother or father left children and those from begging families. Along with new books, we also provided children over there with some essential stationary.

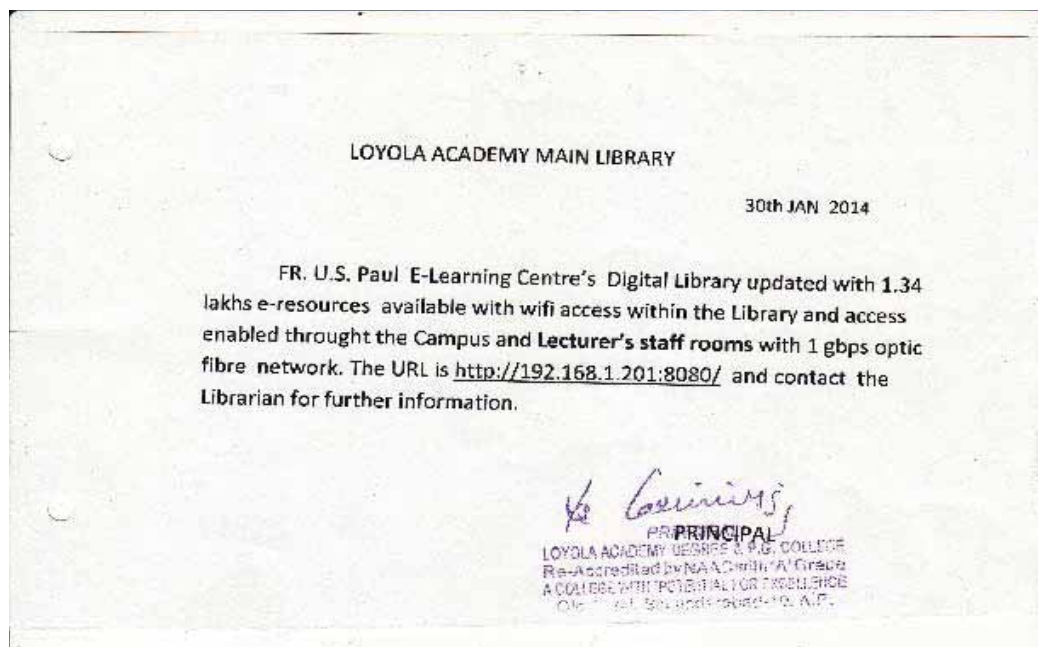

Altogether the program was successfully achieved by fulfilling our main aim of serving a social cum environmental purpose. Although the program was introduced by only a group of 6 people, it would not be accomplished without our helping hands, our classmates who made it a big success by helping us in each and every level of this program.

 ALVAYAL, SECTOR 10, RAIPUR 492 010  
 (Autonomous and affiliated to Central Board of Secondary Education)  
 Recognized with "A" Grade by CBSE (UPEAC)  
 A College with Award for Excellence by UPEAC  
 www.loyolaacademyraipur.org | Ph: 91-9303130130

**PRactical TRAINING PROGRAM IN VERMICOMPOSTING**

This is the unique program conducted by the department of B.Sc. Agriculture Science and Rural Development. This program is carried out every year in the second semester (February-April) of the academic year. The students of fourth year B.Sc. Agriculture are given practical training on Vermicomposting from the organic agricultural and farm waste (vegetables, crop residues, animal excreta etc.). The group of students who participated in this program:

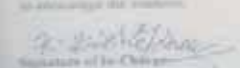

S.No.	UPEAC No.	Name of the Student
1.	1117150120041	A. Parvathi
2.	1117150120042	Arun C. Kumar
3.	1117150120043	B. Narayan Yadav
4.	1117150120044	H. Rakshit Kumar
5.	1117150120045	A. Divya Reddy

During this program students learn the preparation of vermicompost beds, filling of agricultural wastes in the beds, turning the vermicompost and care and maintenance of the beds until the compost is ready for commercial use.

After a period of 75 days, the students turned the prepared vermicompost bed and packed it in gunny bags. A total of about 800 kgs of agricultural waste with 6kgs of non-hazardous vermicompost (worms included) were used. At the end, about 170 kgs of vermicompost was obtained. Vermicompost was sold by the students at the rate of Rs 25/- per kg.

The rest applied with the prepared vermicompost (nutrients like soil fertility status, with higher soil micronutrients (N, P, K, S, Ca and many more) and also facilitates better growth of crops).

The money received after selling the compost was distributed amongst the students under the "earn while learn programme". This initiative was taken to encourage rural waste build up and to encourage the students.

# LOYOLA JUNIOR COLLEGE

REKURTHY, KARIMNAGAR

Date:11.07.2016

To  
Loyola Academy  
Degree and PG College  
Old Alwal  
Secunderabd – 500010

Subject – Acceptance and acknowledgement of the donated electronic equipment to the Institution.

It is my pleasure to thank Fr.Principal and Director of computer science department of Loyola academy for their generosity to help our school and junior college at karimnagar.. In the year 2016, on 10th July Loyola Academy, Secunderabad had donated 26 computer systems, 80GB hard disc and 2.8 GHz CPU to our institution. I personally appreciate the generosity and cooperation from the aforementioned Loyola Academy institution. It is our acceptance and acknowledgement to Loyola Academy for their noble cause towards Loyola High School and Loyola Junior College, Karimnagar

Thanking you whole-heartedly and anticipating for similar association henceforth as well.

Thanking you,

*M. Sagayaraj SJ*  
Regards

Rev. Fr. Dr.M.Sagayaraj SJ  
Loyola High School & Loyola Junior College,  
Karimnagar

### Memorandum of Understanding

This Memorandum of Understanding is made and executed on 29<sup>th</sup> of March 2019.

#### BY AND BETWEEN

- 1) **Rapidue Technologies Pvt. Ltd.** is a registered company with its having office at 6-2-953, Office No. 205, Krishna Plaza, Kaitratabad, Hyderabad - 500004, Telangana, INDIA (herein after referred to as **Recykal** which expression shall, unless repugnant to or inconsistent with the context or meaning thereof, be deemed to include its successors and permitted assigns); of the other part.

#### AND

**Loyola Academy**, Alwal an Autonomous College, Affiliated to Osmania University, Hyderabad; of the first part

2/10

**Loyola academy** and **Recykal** shall hereinafter be referred to individually as a “**Party**” and collectively as the “**Parties**”, as the case may be.

**WHEREAS**, **Recykal** is sustainability, digital technology service provider, with solutions to promote & facilitate recycling activities and also wants to engage with a sustainability partner **WHEREAS** “**Loyola Academy**” wishes to on-board with **Recykal** as its sustainability solution partner to enable the responsible disposal of dry recyclables during the period 01 April 2019 to 31 March 2020

**NOW THEREFORE**, in consideration of the aforesaid and the mutual promises between the Parties under this Agreement, the Parties hereto agree as follows:

**1. Now This MOU Witnessed As Under:**

This is an agreement for a synergic alliance between “**Loyola Academy**” and **Recykal** for the cause of recycling of Dry Waste and to protect environment, conserve natural resources, inculcate the habit of source segregation among the citizens, recover & recycle the dry recyclables which is going to landfill & create a sustainable livelihoods to the informal sectors.

Having collected and sent the waste to the **Recykal**, it solely becomes their responsibility to take charge from then.

**2. Scope:**

- **Recykal** will provide the sustainability solution through its digital technology platform to **Loyola Academy** for responsible disposal of recyclables.
- Pickup request for disposal of material will be generated on Recykal by **Loyola Academy** required services will be fulfilled by Recykal and its associated partners.
- Recykal is allowed to pick up the solid waste viz., polythene, plastic, metals, paper and e-waste from the point of source of storage and segregation.
- While this agreement is in force, **Loyola Academy** shall ensure that all the dry recyclables will be disposed only through Recykal or its associated partners
- Rates for recyclables will be displayed time to time on Recykal dashboard. **Loyola Academy** will raise invoices of the value to be received against the disposal of recyclable in par with the then current scale
- The sustainability certificate for responsible disposal through the Recykal will be provided and the same can be accessed on Recykal dashboard.

- **Loyola Academy** is required to provide necessary entry and exit permissions included, but not restricted to gate-pass, other access formalities to use its space for loading of recyclable and man power movement during the time of pickup.

The Project shall be valid till 31 March 2020 and can be renewed for additional periods and quantities as per mutual agreement of **Loyola Academy & Recykal**.

### **3. Indemnity:**

**Loyola Academy** shall be solely responsible for collection & storage of category wise recyclables in their premises. Recykal will share its expertise for segregation of this material.

Recykal will take an initiative to conduct awareness drives with students in the college and neighboring community and the same will be enclosed as Annexure- I. Both Parties further agree to indemnify and keep indemnified each other against all actual loss and damage which the both the Parties may suffer as a result of any breach of this agreement by the either of the Parties.

### **4. Term:**

This Agreement shall come into force from the date of signing and remain valid for a period of 12 months, including final payment & documentation whichever is earlier unless terminated earlier by the Parties. The Agreement may be extended for such further periods and quantities as may be agreed to by the parties

### **5. Termination:**

This Agreement shall automatically terminate on the expiry of the period of

- (1) 12 months from the date of signing of this Agreement or completion of the project, including final payment & documentation, whichever is earlier as provided above unless extended by the Parties by mutual consent.
- (2) Parties may terminate the Agreement after giving a notice in writing of thirty (30) days to the other Party of its intention to terminate the Agreement.
- (3) In the event of any lapses in execution by **any party, the other party** shall have the right to terminate this agreement by giving a 30 days' notice to the defaulting party.

**6. Amendment:**

Any Amendment to this Agreement shall be valid and binding on the Parties only if it is made in writing and signed by duly authorized representatives of each Party.

**7. Notices:**

All notices and other communications shall be sent to the address of each Party set forth at the beginning of this agreement.

**Resolution of Disputes:**

- a) Any dispute or difference between the Parties out of or in connection with this Agreement, including the validity thereof shall at first instance be resolved amicably through negotiations or discussions between the Parties.
- b) If the dispute remains unresolved, then the same shall be taken up by the Heads of both the Parties and their duly authorized representatives; who shall strive to resolve the dispute amicably.

**8. Governing Law and Jurisdiction:**

This Agreement shall be governed and construed in accordance with the laws of India. Except as provided otherwise, the courts in Hyderabad shall have exclusive jurisdiction over any matter arising out of this Agreement.

**9. Survival of Terms:**

The clause on "Indemnity", "Dispute Resolution", "Governing Law and Jurisdiction" will survive the termination of this Agreement.

IN WITNESS WHEREOF, the Parties agree and acknowledge to the aforesaid terms and conditions of the Agreement.
