LOYOLA ACADEMY
ALWAL, SECUNDERABAD

7.1.10 Number of Specific initiatives to address locational advantages and disadvantages during the last five years.

Loyola Academy is a Catholic minority institution, located in Alwal, Secunderabad, India. It is blessed with a spacious campus of about 132.38 acres of land, with playfields and a research farm serving a strength of more than 3500 students. It offers a progressive education system with state of art facilities to students of all faiths.

Alwal, a locality in Secunderabad city was underdeveloped with lack of higher educational institutions. Keeping this in mind, the then Chief Minister Mr. Jalagam Vengal Rao donated land to facilitate formal higher education to inhabitants of Alwal and neighbouring localities.

Loyola Academy started its educational journey in the present campus in the year 1978. **The only disadvantage is that, it is cut-off from the main city.**

To overcome this disadvantage, several initiatives were taken. Some of them are as follows -

Academic Year 2017-18

AGRICULTURE EXHIBITION

DATE:23/02/2018

The Department of B.Sc. Agricultural Science & Rural development utilised the vast campus by conducting several trial studies on crops using organic farming. The department organises an exhibition on 23 February 2018 to create awareness about innovative agricultural techniques, to enhance the importance of sustainable agriculture and state the benefits of organic farming. There is an exchange of information between the students and farmers where the practical difficulties are resolved. Both the students and farmers are benefitted.

The list of the exhibited stalls is given below .

ADMISSION TO WARDS OF DEFENCE PERSONNEL

Loyola Academy is situated close to the Cantonment zone of the CRPF, IAF and Army. The College deems it as a responsibility to offer a high admission rate for wards of CRPF and other Defence personnel. The aura of the college is highly disciplined and is very much similar to that of Central Schools. Therefore, the students and the parents of the Defence personnel prefer this college.

The following are the wards of Defence Personnel, given admission in College:

INTRODUCTION OF CERTIFICATE COURSES

Loyola academy being located far off from the main city caused inconvenience for the students to attend various coaching classes in different fields. Hence, the college took an initiative in the year 2016 to introduce several certificate courses like, IELTS, Web Designing and Programming, Aptitude test training programme, Tally, Programming in C language, R programming and many more in the college during the working hours for three days in a week. These certificate courses are offered by reputed institutions like T.I.M.E., NLP, IPD etc

INTERNSHIPS, PROJECTS AND INDUSTRIAL VISITS:

DATE: 20/11/2017

Loyola Academy is located nearby to Shamirpet and Balanagar, which are the industrial hubs present in the city. Guest lectures and industrial visits are organised frequently from the above mentioned places. Students are exposed to the latest trends and techniques used in the industry. Industrial areas like IDA Jeedimetla, Genome valley in Shamirpet are near to the college campus. Hence, most of the students also have the opportunity to pursue their final year projects in these areas.

GROUND RENTAL

Loyola academy has a vast campus. The extended campus of the college is often hired by neighbouring schools and other institutions to conduct their school activities like annual day, sports meet and for other inter school competitions.

Note: To be read out in Public Address System as well as in each and every classroom (UG & PG)

The students of M.Sc.Biotechnology have been actively participating in the pulse polio sunday program conducted by Health dept ,Govt of Telangana, in second week of January 2018. Every year students contribute their service for immunizing children under the age group of 5 years by going door to door and administering polio drops to the children .

The students of M.Sc Biotechnology conducted awareness campaign at Bhoodevinagar on 1st September 2017 on health and hygiene. Placards, charts, street plays and door-to-door informal talks were the measures taken to spread the information on practising a healthy and hygienic environment.

The students of M.Sc. Biotechnology conducted a 1-day drive on plastic free community. They collected all the plastic bottles and household plastic materials and alerted the public about the harmful effects of plastic on the environment.

The students of M.Sc Biotechnology prepared jute bags on their own and distributed them to every household for a week, 15th August 2017 to 8th September 2017 with a vision to promote reduction of plastic bags.

The students of M.Sc Biotechnology distributed plant saplings from 17th October 2017 to 19th October 2017 to a school near to Loyola academy in order to promote the importance of plants and their benefits.

ADMISSION TO WARDS OF DEFENCE PERSONNEL

Loyola Academy is situated close to the Cantonment zone of the CRPF, IAF and Army. The College deems it as a responsibility to offer a high admission rate for wards of CRPF and other defence personnel. The aura of the college is highly disciplined and is very much similar to that of Central Schools. Therefore, the students and the parents of the defence personnel prefer this college.

The Following are the wards of Defence Personnel:

INTRODUCTION OF CERTIFICATE COURSES

Loyola academy being located far off from the main city caused inconvenience for the students to attend various coaching classes in different fields. Hence, the college took an initiative in the year 2016 to introduce several certificate courses like, Mushroom Cultivation, Aptitude test training programme, Executive Communication, Entrepreneurship, Video Editing, Jewellery Making and many more in the college during the working hours for three days in a week. These certificate courses are offered by reputed institutions like T.I.M.E, IPD etc.

KEY NOTE LOCATIONAL ADVANTAGES

1. Indian overseas Bank :

Loyola Academy has taken an initiative in starting Indian overseas Bank and ATM facility to the students, staff members and local residents of Alwal. This bank is useful for the students of India & Overseas, in payment of their fees and also to the public living in nearby areas like Suchitra, Jeedimetla village, Father Balaiah Nagar etc.

2. **Connectivity**–Loyola academy is located near to National highway No. 44,hence it is easily connected to distant rural places, which have poor developments with no college facilities. Loyola academy encourages student admission from rural places (wards of farmer) nearby to the college.
3. **Recharging Water Bodies:** Loyola academy conducts several plantation programmes every year. The lustrous growth of flora has reduced the carbon footprint, which plays an important role in reducing global warming. The construction of the percolation tank with a capacity of 1.53 crore litres is a source for water and groundwater recharging; beneficial for the campus and also the neighbouring communities.
4. **Economic Development of the Local Neighbourhood:** Loyola academy has one Girls and Boys hostel in its campus. All the students hailing from distant places could not be accommodated in the hostels. Hence, several shops, hostels and paying guest amenities have mushroomed in recent years. This led to the economic development of the neighbouring communities.

I, P. Sai Yashwanth from batch 2016-19 from department of B.Sc Biotechnology with UID no : 111716018024 had shifted from Nalgonda to Malakpet for a better and convenient transportation to college. Currently I am staying with my family and paying the rent of Rupees 7000/- per month. Shifting my house has been a great advantage & comfort throughout my college life at Loyola Academy.

5. **Wholesome environment for overall development in sports:** Loyola Academy has excellent sports ground with high intensive training offered by physical director along with a free breakfast specifically given to sports students which helps in holistic development of the students.
6. **The Ideal Learning Environment:** Loyola academy with its vast campus, well maintained green landscaping and spacious class rooms and other basic amenities contributes to a peaceful surrounding and pollution free environment. The college has a serene atmosphere away from the hustle and bustle of the city, which is a perfect ambience for learning.
7. **A Complete Higher Educational Institution:** Loyola academy since its inception had a vision of bird's view. The College offers intermediate, graduation and post-graduation courses to the students at one campus, which makes the parent and student comfortable in terms of educational infrastructure and facilities.
8. **Unaffected by Political Upheavals:** Loyola Academy located in the outskirts of main cities/towns. However, with the growing pace of development in the state, Loyola academy witnessed many dynamic changes in the recent past. The institution was unaffected from the brunt of disruptions in academic life during the separation of the state into Telangana and Andhra Pradesh. It was only due to its location in a remote area that different students and political organizations could not disturb the academic schedule in the college.
