## INTRODUCTION

Loyola Academy (LA) is managed and administered by the Andhra Jesuit Province, belonging to the Society of Jesus, an International Catholic Religious Order. Loyola Academy Degree and Post Graduate College as well as Loyola Academy Junior College were founded by Rev Fr T. Baliah SJ, in 1976 in Alwal, Secunderabad, Telangana, India.

The principal aim of the Admissions Policy is to offer admission to all qualified students with a special concern to minority and rural areas. Each applicant is individually assessed, without partiality or bias, in accordance with the policy on Equal Opportunities. The institute provides one of the best academic experiences in the state and ensures that its students are also of exceptional high quality. The education in Loyola Academy is affordable, accessible and employable. The education rendered here is a value based and broad based education.

Once students are admitted they are encouraged to establish their goals and periodic seminars, workshops are conducted on how to accomplish their goals. Loyola Academy ensures that a student performs well in the discipline that he/she chooses. Slow learners are identified, and are given remedial coaching, soft skills training etc. Students are given personal attention through mentoring and support those who are financially weak for the successful completion of their course at Loyola.

Students can apply for admission through online. Any student who is eligible within or outside the state or country can apply for the admission, provided that they meet the conditions laid by the parent university.

Other activities within our diverse and extensive portfolio of outreach projects seek to introduce students to the range of degree courses we offer and to support and enrich the study of subjects at college.
