PRAYER TO GOD THE FATHER

Our Father in heaven
Holy be your name
Your kingdom come
Your will be done on earth
As it is in heaven.
Give us today our daily bread.
Forgive us our sins
As we forgive those who sin against us.
Do not bring us to the test
But deliver us from evil. Amen.

PRAYER TO LOVE & SERVE GOD

Loving God! Teach me to be generous
Teach me to love you and serve you as you deserve
To give and not to count the cost
To fight and not to heed the wounds
To toil and not to seek for rest
To work and not to look for reward.
All I want to know
Is that I do your most holy will.
(Prayer of St. Ignatius of Loyola)

A TEACHER'S PRAYER

O God, Enable me to teach with WISDOM
For I help to shape the mind.
Equip me to teach with TRUTH,
For I help to shape the conscience.
Encourage me to teach with VISION,
For I help to shape the future.
Empower me to teach with LOVE.
For I help to shape the world.

LOYOLA ACADEMY

VISION:

To impart higher education with integral formation which involves academic excellence, spiritual growth, social commitment and value based leadership.

The Philosophy of the Vision of Loyola Academy:

1. Loyola Academy evolves a process of learning based on the exercises that begins with freeing of persons from bias and guides one to make life's choices through discernment.
2. Excellence in education is not just accumulation of knowledge by memory but deeper understanding that makes a student more wise than knowledgeable.
3. Students are called to do their very best and to always strive for personal excellence in all aspects of life – intellectual, emotional, moral and physical. This personal excellence leads to concern for others. It is a love in service to the people on the periphery.
4. The Ignatian tradition guides a formative process in and through teaching, learning and governance that emphasizes the awareness of God's active presence in human life in positive and life affirming ways.
5. Self, God others and Nature altogether form a quadratic locus in which the learner forms his/her personality that influences social change.
6. The Leader in Ignatius tradition offers a paradigm for making choices through discernment in a spiritual context, between several possibilities all of which are potentially good.

MISSION:

It is to form “men and women for others” and mould our students as global citizens with competence, conscience and compassionate commitment. Special concern is shown towards the socially and economically underprivileged students.

Philosophy of Mission:

The education of men and women of competence, conscience, commitment and compassion is imbued with the desire to seek all things for the greater glory of God, representing the enduring aspiration of Loyola Academy.

The 4 "C"s of the Mission Statement are :

1. COMPETENCE
2. CONSCIENCE
3. COMMITMENT
4. COMPASSION

OBJECTIVES:

We fulfill this Vision-Mission

- through a more integrated formation in academics and spirituality, as well as through value-based training and social commitment;
- by creating an ambience for *Ignatian Pedagogy Paradigm*, namely “Learning, Experience, Reflection and Action” and by implementing the following:
 - Developing in students, knowledge as well as skills
 - Guiding them to grow in wisdom and harmony
 - Nurturing in them a deep sense of right values
 - Directing them in fostering healthy relationships
 - Celebrating with them diverse forms of faiths and culture
 - Helping them to develop as holistic persons and
 - Motivating them to become aware of the socio, cultural, religious and economic realities, locally and globally, and to respond to them creatively and constructively.

Five Elements of Ignatian Pedagogy

Context

Since human experience, always the starting point in a Jesuit education, never occur in a vacuum, educators must know as much as possible about the actual context within which teaching and learning take place.

Teachers need to understand the world of the learner, including the ways in which family, friends, peers and the larger society impact that world and effect the learner for better or worse.

Experience

Teachers must create the conditions whereby learners gather and recollect the material of their own experience in order to distil what they understand already in terms of facts, feelings, values, insights and intuitions they bring to the subject matter at hand. Teachers later guide the learners in assimilating new information and further experience so that their knowledge will grow in completeness and truth.

Reflection

Teachers lay the foundations of learning by engaging students in skills and techniques of reflection. Here memory, understanding, imagination and feelings are used to grasp the essential meaning and value of what is being studied, to discover its relationship to other facts of human knowledge and activity and to appreciate its implications in the continuing search for truth.

Action

Teachers provide opportunities that will challenge the imagination and exercise the will of the learners to choose the best possible course of action from what they have learned. What they do as a result under the teachers' direction, while it may not immediately transform the world into global community of justice, peace and love, should at least be an educational step towards that goal even if it merely leads to new experiences, further reflections and consequent actions within the subject area under consideration.

Evaluation

Daily quizzes, weekly or monthly tests and semester examinations are familiar instruments to assess the degree of mastery of knowledge and skills achieved. Ignatian pedagogy, however aims at evaluation which includes but goes beyond academic mastery to the learners' well- rounded growth as persons for others. Observant teachers will perceive indications of growth or lack of growth in class discussions and students' generosity in response to common needs much more frequently.

ORIGIN AND GROWTH OF LOYOLA ACADEMY

Loyola Academy (LA) is managed and administered by the “Loyola Academy Society, Hyderabad” belonging to the members of the Society of Jesus.

The Society of Jesus is an International Catholic Religious organization of men founded in 1540 by St. Ignatius of Loyola. These religious men, popularly known as “**Jesuits**,” are about 17,000, spread all over the world, of whom over 4000 are working in 20 provinces and 2 regions of India. In Telangana and Andhra Pradesh states alone, about 220 Jesuits are working in Schools and Colleges, Youth and Social Service centres, Spirituality and Counselling centres and in Parishes and Missions of the Catholic Church.

LA was founded by **Rev Fr TJ Baliah SJ** in 1976 with Intermediate Courses, also offering an Associate Degree in Chemical Technology. It then developed into a Degree (1978) and PG (1993) College. LA is situated in Old Alwal, Secunderabad, Telangana, India.

LA is blessed with a fairly spacious campus of about 132 acres, 38 guntas of land, with playfields and a research farm. It is affiliated to the prestigious Osmania University. LA Degree College was granted autonomous status in 1992 by the University Grants Commission. The same autonomy was granted to the PG College in 2010 by Osmania University. Appreciating the achievements and qualitative pursuit of higher educational needs, UGC has awarded LA a rare status known as a “**College with Potential for Excellence**” (CPE) in the year 2008 and has also extended CPE phase II projects in the year 2015.

In addition to this, National Assessment and Accreditation Council accredited this college in the year 2005 and reaccredited in 2011 and, for the second time, awarded ‘A’ grade (3.50 out of 4.00 CGPA), in recognition of its excellent contribution to the cause of higher education.

The College reaccredited with ‘A’ Grade by NAAC for III cycle in the academic year 2019-2020 was also granted an extension of autonomous status for another five years (2019-2024).

**JESUIT EDUCATION
FOR TRANSFORMATION OF PERSONS & SOCIETY**

THE WORLD VISION OF THE JESUITS

1. Dedication to Human Dignity from a Jesuit Faith Perspective

- Men and women are created in love to reflect the wisdom and goodness of God.
- The continued presence of Jesus Christ's Spirit enhances human dignity.
- Men and women are
 - o enfolded in God's care and compassion
 - o offered companionship as brothers and sisters and
 - o empowered to complete the compassionate mission of Jesus Christ on earth
- Jesuits believe that their colleagues from other religious and ethical traditions share this dedication to human dignity and work for its implementation.

2. Reverence for and an Ongoing Reflection on Human Experience

- A Jesuit College must be a place of intellectual honesty, pluralism and mutual respect/reverence
- Reverence was pivotal for St. Ignatius of Loyola, reverence for him was an attitude of regard
 - before the majesty of God and
 - for all that God has created both as a gift from God and as a way to God's presence
- The Jesuit ideal of seeking and finding God in all things is inspired by this sense of reverence
- This ideal
 - promotes a rigorous yet sensitive attention to the demands of the professions and of technology
 - exults in the world of creative energy in literature and music, in art and theatre, in business and in the sciences
 - engages the world both locally and globally

3. Creative Companionship with Colleagues

- The contemporary Jesuit College is committed to creating a community of dialogue and service

- Service signifies a mutual willingness among faculty, staff and administration to enhance the entire environment of learning and service within the college community and between it and the world outside

4. Focused Care for Students

- At the heart of the Jesuit educational ideal is community care for the integral development of the students
- Everyone - faculty, staff, administration and board members—play a role in student development
- In their relationship with students, faculty and staff inevitably model what they value
- In communicating those values, they act as mentors to their students
- The following student-concerns demand our attention and response:
 - the pursuit of wisdom and competence
 - the quest for psychological maturity and spiritual depth
 - the desire for ethical grounding and
 - the challenge of social solidarity and global awareness

5. Well-Educated Justice and Solidarity

- Justice, primarily, is God's saving action for men and women
- Each Jesuit College must examine its own social environment, including its own commitment to justice and solidarity
- Solidarity with the rest of the human race means
 - working together as human family to meet effectively the challenges of worldwide hunger, ignorance, disease and violence;
 - extending of care to those close at hand who have been ignored or abandoned within our society; and
 - a commitment to change the economic, political and social structures that enslave, dehumanize and destroy human life and dignity.
- More and more Jesuit institutions provide supervised opportunities for their students to meet and to learn from people from other economic and social groups through
 - community service,
 - love for environment,
 - service-learning projects,
 - immersion experiences and
 - faculty-student research projects.

ST. IGNATIUS OF LOYOLA

(1491-1556)

**Founder of the Society of Jesus
Student & Teacher - Soldier & Saint**

Passion for Life

Íñigo López de Loyola was born in the Basque Country, Spain, in 1491. The youngest of 13 children, Íñigo López was brought up by María de Garín, the local blacksmith's wife, after his own mother died soon after his birth. He later became a page in the service of a relative, Juan Velázquez de Cuéllar, treasurer of the kingdom of Castile. As a young aristocrat Ignatius had a "love of martial exercises and a vain glorious desire for fame." At this period he framed his life around the stories of adventures. Joining the army at seventeen he strutted about "with his cape slinging open to reveal his tight-fitting hose and boots, a sword and dagger at his waist."

Grit and determination in times of adversity

His diplomacy and leadership qualities made him very useful to Duke Antonio Manrique de Lara. Under the Duke's leadership, he participated in many battles without injury. But when a French-Navarrese army stormed Pamplona's fortress on May 20, 1521, a cannonball wounded one of his legs and broke the other. He was thirty, then. Soldiers carried the wounded Íñigo to his ancestral home to recuperate from wounds received in battle. He was very concerned about the injuries and had several surgical operations, which were very painful in the days before anesthetics.

Passion for reading leads to a desire to change

During his days of recovery he asked for books on chivalry, his favorite reading, but there were no such romances in the Loyola castle in Spain. Instead he was given the only books in the house: the "Life of Christ" and a collection of the "Lives of the Saints." Íñigo set about reading them: as he continued to read these books, he continued to reflect. He asked himself "If St. Francis could do this, why not I? If St. Dominic could do this, why not I?" The more he reflected, the more did God become the centre of his life. His injury at Pamplona was God's way of telling him that He wanted him in the service of Jesus Christ, the eternal King.

A romantic knight, now a passionate Pilgrim of God

By March 1522, Iñigo's right leg was sufficiently healed for him to put his plan into action. Every knight in his time would stand guard at the door of his lady-love. For Inigo it would no longer be the earthly ladies. On 24 March he went to Mother Mary's altar at Montserrat, and spent the whole night in a vigil of arms, kneeling or standing before her. At dawn he offered his sword and dagger to Our Lady, hanging them on the chapel wall. He gave the fine clothes he was wearing to a beggar and clothed himself in his sackcloth-tunic. A romantic knight now became a passionate Pilgrim of God.

A docile Student of the 'school-master' God

Iñigo became God's student. On his way to Barcelona he stopped at Manresa, a town on the banks of the river Cardener. There he spent ten months in total communion with God. He spent seven hours a day in prayer in a cave he had discovered. For several hours a day he helped the sick in the hospital of St. Lucy. God – he says- was like a school master teaching him step by step. He read other spiritual books, among them the "Imitation of Christ," a book which he always esteemed. Whenever a passage from his reading particularly struck him, he jotted it down in the notebook he carried. In the same note book he recorded his meditations and the illuminations he received in prayer. It was from this little book that his famous Book of Meditations, called the "Spiritual Exercises," would later emerge.

Passion to live and work in his Master's Holy Land

Iñigo visited the Holy Places in the ancient city of Jerusalem. He prayed and walked on the streets where Jesus his Master had walked. Since he was unable to remain in the Holy Land, Iñigo, now thirty-three years old, had to chart his future anew. His only desire was to help people to come closer to God; so he decided to study for the priesthood. At the age of 34 he began to study Latin grammar, sitting in class with young boys.

Passion to lead people to God makes him a dedicated Student

When he had finally mastered the elements of Latin, he moved to the renowned University at Alcalá. In that great University City Iñigo gathered students and grownups about him, speaking about prayer and explaining to them the

meaning of the Gospels, St. Paul, the Ten Commandments, and so forth. As some complained that he was not qualified enough to teach others about God, Iñigo went to Salamanca to continue his studies at its famous university. From there, at the age of 38, he went to Paris and for seven years studied there: Latin grammar, philosophy and theology. To support himself during these years he spent two months each summer begging for money from the rich Spanish merchants and saving it for the rest of the year.

A Magnetic Personality attracts many good Student-Friends

In Paris he shared a room with Peter Faber and Francis Xavier. His magnetic personality attracted many young students to him. James Laynez, Alphonsus Salmeron, Nicholas Bobadilla and Simon Rodrigues joined him soon. He was for them a friend, philosopher and spiritual guide. With three more (Claude LeJay, Paschase Broët, and John Codure who came later), Ignatius would start the 'Company of Jesus' in 1540 to love God and serve humanity.

A Teacher and Educationist with a heart for the downtrodden

When Iñigo received his Master's degree at Eastertime in 1534, the university Latinized his name, and thenceforth he used the name **Ignatius**. He continued to teach the lettered and the unlettered, the rich and the poor, elders and children. He taught them about God, religion and prayer and cared for the sick in hospitals.

Iñigo was also attuned to the needs of the people around. He established the House of St. Martha to attend to needs of the battered women. He built a home for young girls who were especially in danger of being exploited. He founded an orphanage for those who lost their parents. He built a house for those who came in search of Christ.

He started the Roman College in 1551 as a model for all Jesuit colleges throughout the world. In 1552 he opened a college in Rome for seminarians to prepare themselves better to preach Christ.

Inigo, Ignatius, becomes St. Ignatius of Loyola

Ignatius died on 31 July, 1556. When the body was made ready for visitors, there was a long line of cardinals, bishops and priests, of Rome's nobility and Rome's poor, all coming to kiss the holy venerable hands of the Founder of the Society of Jesus. He was declared a Saint by the Church in 1622. The day he died and went home to Jesus whom he loved dearly is celebrated as his Feast Day: 31 July.

NATIONAL SERVICE SCHEME

The University Grants Commission recommended the introduction of national service in academic institutions not only to develop healthy contact between students and teachers but also to establish a connection between campus and the community. Officially, the National Service Scheme (NSS) was launched on September 24, 1969, on the occasion of the Centenary Birth Anniversary of 'Father of the Nation' – Mahatma Gandhi in 37 universities across India by involving 40,000 volunteers. The primary objective of NSS is to develop the personality and character of the youth through voluntary community service. Currently, the NSS has been implemented in 396 universities, polytechnic colleges and 47 councils of intermediate colleges/+2 level schools with 3.8 million student volunteers. NSS is managed by the Union Ministry of Youth Affairs and Sports in collaboration with the Union Ministry of Education.

Understanding the community, identifying the needs and problems of the community and involving students in problem-solving, developing a sense of social and civic responsibility, utilizing their knowledge in finding practical solutions to individual and community problems, developing the competence required for group-living and sharing of responsibilities, gaining skills in mobilizing community participation, acquiring leadership qualities and democratic attitudes, developing the capacity to meet emergencies and natural disasters and practice national integration and social harmony are the main objectives of NSS.

ACADEMIC INFORMATION

The academic year consists of two semesters. At the under graduate level, the curriculum is spread over three years, except B.Sc. (Hons.) Agricultural Science and Rural Development, which lasts for four years. The duration of a semester is approximately 16-18 weeks, each consisting of six working days with a day order schedule having six hours per day.

In the academic year 2016-17, the college introduced the Choice-Based Credit System (CBCS). All the degree students are expected to earn a minimum of 135 Credits for the completion of the Under graduate Degree Course. Besides these credits, they should also put in 30 hours of social service under PLANET Programme. Students are also encouraged to get certificates by involving themselves in NSS/NCC/SPORTS & GAMES/ AICUF/ Women's Cell etc.

The third semester students, besides undergoing the regular curriculum, also choose one Generic Elective across all the streams. These courses are career-oriented and which will make them more employable after completing their respective Degree Course.

In order to make the students research-oriented, all the final year students are to undertake a Project Work and submit their Dissertation as well as take a Viva Voce. All these components of the Degree Curriculum under the CBCS have to be completed before one gets one's Under graduate Degree.

NON CGPA CERTIFICATE COURSES

- As per the requirements of CBCS, every student has to complete 2 Non CGPA Certificate Courses (NCCC). These courses are offered in addition to the regular courses of the college and are not part of the regular course syllabus.
- Besides the college fee, students will be charged a fee for each skill enhancement certificate course depending on the nature of the course and the resource person (trainer / expert / specialist) needed.
- A minimum of 75% of attendance is mandatory to appear for the final NCCC Exam
- A student possessing 65% or less attendance with medical certificate or without medical certificate is not eligible for appearing NCCC final exam. There is no re-valuation for NCCC Courses.
- If a student was withheld due to shortage of attendance he or she has to enroll in the certificate course of their choice, not necessarily the previous certificate course, by paying the requisite fee again and attend the classes regularly before he or she completes the degree.

EXAMINATIONS AND EVALUATION

The College has adopted the system of valuation based both on Continuous Internal Assessment (C.I.A.) and Semester-End Examination (S.E.E) with a ratio of 40:60.

C.I.A. consists of Weekly Tests, Assignments, Seminar/Viva Voce, Mid Semester and Pre-Final Examinations as part of Theory. C.I.A. consists of Practical (laboratory work etc.) too. The student's regularity, as indicated by attendance, will also be taken into account for C.I.A.

The S.E.E. will be in the form of a comprehensive written examination for each course at the end of the semester and most of the subjects have Practical Examination also.

The question papers for these examinations will be set by experts chosen from outside the College and answer scripts will be valued by external examiners.

i) **Weekly Test (WT):** As per the almanac, weekly test is conducted in the first hour on the day-IV of Day order. Weekly test time-table is displayed in advance, for every semester on notice board. Normally, the portion for weekly test is a unit and duration of exam is 50 minutes.

ii) **Mid-Semester Exam (MSE):** As per the almanac, the time-table is displayed well ahead of time. It is sent to all the departments. The HODs need to show it to both staff and students and bring to the notice of COE if there are any discrepancies.

Normally, the portion for MSE is 2½ units. Accordingly students need to be prepared and duration of exam is 2 hours.

iii) **Assignment:** Assignments will be given a month after the commencement of the semester, on a topic related to the syllabus, well in advance and a date of submission has to be fixed by the subject lecturer keeping in mind the last date that is given in the almanac for the submission of assignment marks in the COE office.

The students should submit a paper of not more than 5 pages on the topic, which could be their original work / perspective / understanding or the latest information on the same.

A varied list of relevant topics has to be given to students so that they can choose one out of the given topics.

iv) **Viva-Voce / Seminar:** It would be the lecturer's prerogative to decide whether to conduct a seminar or Viva Voce. The same should be conducted after consultation between the HOD and the lecturer who fix the dates for it after the mid-semester and before the Pre-final examination.

In the case of a seminar, the student explains his understanding or original idea of a concept that he deals with in the assignment, to the entire class. The duration of seminar does not exceed 5 minutes.

In all the subjects Viva-Voce has to be conducted between MSE and PFE. It is a one-on-one oral exam on the assignment submitted by the students, lasting around 5 minutes each.

v) **Pre-Final Examination (PFE):** It is 5-unit model of the Semester-End Exam question paper covering the entire syllabus for the subject, consisting of 2-sections A (very short Answer questions) and Section-B (descriptive type). The duration of the examination is 3 Hours

vi) **Regularity/ Attendance:** A student becomes eligible to appear for the Semester-End Examinations only if he/she secures a Minimum

of 75% Attendance. If he/she fails to get the minimum attendance, he/she has to repeat that Semester in the following academic year. His/her name will be off the rolls for the following semester. In case a student is absent from classes due to grave illness/accident, he/she should have a minimum of 65% of attendance and should have already obtained permission prior to their absence due to grave illness/accident.

They should submit a Medical Certificate issued by a registered medical practitioner along with the medical prescription on the first day that he/she returns to regular classes. However, medical certificate for minor ailments like cold, cough and fever will not be accepted.

* Medical certificates that are submitted later or just before the Semester End Exams will not be accepted.

Re-Examination Norms for absentees (CIA):

In principle, there is no re-examination. However, under extraordinary circumstances and for genuine reasons on a case to case basis, it is the Principal's discretion to call all the officials concerned to decide whether or not to give permission for a re-examination.

In case of accident, grave illness or death (in the family), the Principal/ Vice-Principal should be informed immediately and a written permission to be absent from the exams should be obtained by the parent / guardian.

The decision to conduct or not to conduct the re-examination rests with the Principal/Vice-Principal and will be examined case by case, purely on the merit of the case. The decision of Principal/Vice-principal is final and binding.

For applying for re-examination, the students along with their parents should approach the Vice-Principal with all the necessary documents, who, in consultation with the Block In-charge and the Head of the Department concerned, would analyse the case and forward it to the Principal.

The Principal would finally decide whether or not to permit the student to take a re-exam and the same would be communicated to the COE on a case-to-case basis.

Grade Letter is an index to indicate the performance of a student in a particular course (Paper). It is the transformation of actual marks secured by a student in a paper. It is indicated by a Grade letter O, A, B, C, D, E and F. There is a range of marks for each Grade Letter.

Grade Point is weightage allotted to each grade letter depending on the marks awarded in a paper.

Credit Points refer to the product of No. of credits multiplied by the Grade Point for a given paper.

Semester Grade Point Average (SGPA) refers to the performance of the student in a given semester.

SGPA is based on the total credit points earned by the student in all the courses and the total number of credits assigned to the papers in a Semester.

Cumulative Grade Point Average (CGPA) refers to the Cumulative Grade Point Average weighted across all the semesters (6 semesters/ 8 semesters).

SGPA & CGPA : Grading System

As part of Choice-based Credit System (CBCS), Semester Grade Point Average (SGPA) and Cumulative Grade Point Average (CGPA) has been implemented from the academic year 2016- 17.

DETAILS OF AWARD OF GRADES UNDER CHOICE BASED CREDIT SYSTEM (CBCS)

Range of Marks	Grade Letter	Grade Points
85% and above	O	10
70% to 84%	A	09
60% to 69%	B	08
55% to 59%	C	07
50% to 54%	D	06
40% to 49%	E	05
Less than 40%	F	00

CALCULATION OF SGPA & CGPA:

1.	Credit Points = No. of Credits Secured X Grade Points obtained in a given paper
2	$\text{SGPA} = \frac{\text{Sum of Credit Points obtained in a Semester}}{\text{Total number of Credits in that Semester}}$
3.	$\text{CGPA} = \frac{\text{Sum of Credit Points obtained in all Semesters}}{\text{Total number of Credits in all the Semesters}}$

Note:

1. SGPA is computed only if the candidate passes in all the theory/practical papers with a minimum of 'E' Grade
2. If a candidate secures 'F' Grade in a theory/practical paper, he/she is considered to have failed in that paper.
3. *Not considered for computing SGPA. Any problem pertaining to mistakes in the declaration of results, entries in the Marks Cards or revaluation shall be referred to the Controller of Examinations in writing within 3 days of declaration of results/issuing of the Grade sheet.
